All About Our Conference

The Event

Attire for the conference is business casual but please remember that all of the conference areas are air conditioned so consider bringing a wrap or sweater as we have little control over the room temperature. We welcome you to dress comfortably at the cocktail receptions of course. Participants must wear their Conference Badges to all sessions, breaks and lunches. A special item will be distributed for the reception entrance on Thursday evening. There are plenty of opportunities for networking, so bring your business cards to exchange with colleagues and in our Exhibit Hall. Our Exhibit Hall will open to Participants at 6:00PM on Wednesday evening. We ask those attending who wish to use their laptop or other computer technologies to take seats in the rear, so as not to disturb other participants and the speakers.

Free with Your Admission: Valuable Continuing Education Credits

PA/NJ IARP has applied to the Commission on Rehabilitation Counselor Certification (CRC), and the Commission for Case Manager Certification (CCM) for up to 12 contact hours of CE credit for this conference.

This activity has been submitted to PA State Nurses Association for approval to award contact hours. PA State Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

All speakers at continuing education activities for this conference are required to disclose to the audience (1) any significant financial relationship with the manufacturer(s) of any commercial products, goods or services and (2) unlabeled/unapproved uses of drugs discussed in their presentations. Such disclosures will be offered in writing or verbally at the time of the conference.

Nurses should only claim credit commensurate with the extent of their participation in the activity. You can earn up to 1 nursing contact hour for every 60 minutes of educational time. You must complete an evaluation for each session that you attend to receive contact hours. Please call Louise Kaplan at (215) 813-2901 for more information about contact hours.
